| About me                | <p>I live with my Mum (Samantha), Dad (Darrin), younger brother (Jack) and younger sister (Lily) in our family home in the Western Suburbs of Melbourne. I like spending time with my pets including the family cat (Missy) and Guinea Pig (Joe). I have a big role in looking after them and have to feed them in the morning and clean them out sometimes. My Mum and Dad encourage me to learn new things and help me with the things I find difficult like going to the shops to buy things for dinner, cooking, managing my money and remembering all the things I need to do to get ready for the day. I enjoy craft and spending time with my friends. We like to go the movies, markets or out for dinner. I would like to go on a holiday with them one day. The most important things in my life are my family, pets, friends and being able to spend my weekends doing things that I enjoy.</p> <p>Every morning during the week I wake at around 7am and my mum supports me by making sure I am ready to leave the house and catch the bus to work by 8:30am. I work at a cafe and really like it. The best bit is that I can try lots of different things during the day. I was really excited when I got a promotion earlier this year. I work hard every day and am usually tired when I get home. Sometimes I help Dad prepare the family meal before relaxing on my computer. I really using the computer and people tell me I am good at it.</p> |

For agency and plan managed funded supports, you can use your Core Support budget across these four categories - Consumables, Assistance with Social and Community Participation, Assistance with Daily Life and/or Transport. Please note: You may see \$0 funding in the transport category. This is a known error and you can still use your Core funds for transport.

## My Service Booking

Service bookings are used to set aside funding for a NDIS registered provider for a support or service they will deliver. The provider can then claim payments against the service booking. A service booking will show the type of support to be provided, the length of time it is needed, and sets aside funding to pay for the support or service. Service bookings can be made by you, your nominee or a NDIS registered provider (with your consent). Self-managing supports do **not** have a service booking. If your plan is 100% self-managed, you do not need to go over this section.

**Note:** A service booking is different to a service agreement. A service agreement is an agreement between a participant and a provider. All participants should have service agreements with their providers, as the agreement sets out the expectations for the service to be delivered. Service agreements will not appear in the portal.

## Service Bookings with different Funds Management

### If your NDIS funds are self-managed

You don't use service bookings because you pay your providers directly.

### If your NDIS funds are plan-managed

Your Plan Manager will make one service booking, which allows the Plan Manager to claim payment from the NDIS for all services and supports in your plan. In this case, both NDIS registered and unregistered providers can be included in the service booking.

### If your NDIS funds are Agency-managed

You will need to give your NDIS registered service providers your NDIS number and the relevant support areas you have been funded for, so your provider/s can create the service booking on your behalf and receive payment.

1. Select the **My Service Booking** tile from the home page.

The Service Booking page displays. You have two tiles:

- Add My Service Booking
- View My Service Booking

## Add My Service Booking

You only add service bookings for supports that are Agency-managed. Your provider may have already created a service booking on your behalf, so check with them first.

1. Select the **Add My Service Booking** tile.

2. Select the **Find the Provider** button to choose your provider.

You are moved to the **Provider Finder** section of the portal.

- Once you have found the provider, select **View Details** of the provider and then click the **Create Service Booking** button. If you need help, go to **Part 4 – Provider Finder and documents** guide (<https://www.ndis.gov.au/participants/using-your-plan/managing-your-plan>).

You are returned to the **Add My Service Booking** section.

4. Enter the **Start Date** and **End Date** of the service booking. **Note:** these dates must be within the start and end dates of the current plan.
5. Select the **Find Plan** button.

Below the 'Find a Provider' section, there are three additional filter sections: 'Booking Number' with a text input 'Please enter 8 digits', 'Status' with a dropdown menu set to 'Include All', and 'Initiated By' with a dropdown menu set to 'Include All'. The 'Search' button remains to the right of these filters.
