for the 12 months ending  
September 2022

The average annualised  
payment\* per participant was

**\$54,400**

for the 12 months ending  
September 2021

**3%↑**

When comparing the **same** group of participants between  
this year and last year\*\*:

The average annualised  
payment\* per participant was

**\$59,100**

for the 12 months ending  
September 2022

The average annualised  
payment\* per participant was

**\$54,400**

**9%↑**

\* The average annualised payments is now calculated using a 12 month period prior to the reporting date. The previous methodology used a financial year-to-date period. This change is effective from September 2022.

\*\* The average annualised payment for the same group of participants is compared across two different time periods (12 months ending September 2022 vs 12 months ending September 2021). Those who had an initial plan approved after 30 September 2021 are not included in this calculation.

## Notes:

- Based on monthly management accounts.
- Total paid supports include cash payments, in-kind payments and an allowance for supports provided but not yet paid.
- The average payment per participant includes cash payments and in-kind payments

Monthly summaries will be released on the 15th of every month (or the next business day if the 15th of the month falls on the weekend).
