23 September 2024

The NDIA has updated our public data, now current as at 30th June 2024.

Find updated data at:

- Explore data (interactive data tool)
- Data downloads
- Participant dashboards
- Quarterly report appendices

This data is useful to anyone seeking to understand the NDIS in more detail. Information can be searched by area of interest, including participant numbers, plan budgets, providers, markets and plan utilisation.

The latest Health and wellbeing report was released on 23 July 2024. The report compares health and wellbeing measures of participants and their families/carers when they enter the NDIS with the general population.

The NDIA regularly releases data about the NDIS. This is part of our commitment in the Participant Service Charter to be transparent.

Sign up for our Data and Insights newsletter (external) if you would like to be the first to know about new data and insights releases.
