The NDIS recognises the passing of Gavin Burner, a valued member of the Independent Advisory Council (IAC). He was also the Co-Chair of the Intellectual Disability Reference Group.

Gavin was a strong advocate for people with disability, with a focus on rural and remote areas. Gavin will have a long-lasting impact on the NDIS.

Anyone who had an interaction with Gavin benefited. His wisdom and dedication to making the NDIS better was humbling.

Gavin believed in chasing your dreams and living a better life.

We will miss his input to the IAC and the NDIS.

Our heartfelt thoughts and best wishes are extended to Gavin's family and friends during this time.
