Join us for an informative webinar exploring NDIS Home and Living supports, including what's available, who they're for, and how they can support greater independence and choice.

Home and Living supports included in a participant's plan will depend on their individual circumstances, needs, and preferences.

This session will help clarify options, responsibilities, and key considerations when planning or reviewing supports.

In this session we will cover:

- What Home and Living means under the NDIS
- Different types of housing
- Home and Living supports
- Home modifications
- Medium Term Accommodation
- Supported Independent Living (SIL)
- Specialist Disability Accommodation (SDA)

Who is this webinar for?

This session is designed for NDIS participants, carers, families, and kin, as well as supporting services such as advocacy organisations, peer support networks, and carers' groups.

We also encourage mainstream services that support people with disability including health, education, housing, and community services to attend.
