

Join us for our Connecting Day — an event designed to bring providers and participants together.

Our team will answer your questions and help you:

- learn about the NDIS
- find out how to access the NDIS
- connect with providers
- share your feedback.

Who is invited

- Participants, families and carers
- Providers and disability sector representatives

Catering:

- Come along for a free sausage sizzle and refreshments.

Understanding the NDIS webinar: Home and Living Supports

Join us for an informative webinar exploring NDIS Home and Living supports, including what's available, who they're for, and how they can support greater independence and choice. Home and Living supports included in a participant's plan will depend on their individual circumstances, needs, and preferences. This session will help clarify options, responsibilities, and key considerations when planning or reviewing supports. In this session we will cover: What Home and Living means under the NDIS Different types of housing Home and Living supports Home modifications Medium Term Accommodation Supported Independent Living (SIL) Specialist Disability Accommodation (SDA) Who is this webinar for...

Understanding the NDIS webinar: Assistive Technology

When NDIA talks about assistive technology, we mean equipment, technology, and devices that help you do things you can't do because of your disability. Assistive technology includes items designed to improve your daily life and help you do everyday activities. It may also help you do something more easily or safely. In this presentation we will cover: What assistive technology is How it can support independence and safety Examples of assistive technology How to access assistive technology through the NDIS Who is this webinar for? This session is designed for NDIS participants, carers, families, and kin, as well as supporting...
