20 June 2019

On the 20 June 2019, a one hour assistive technology (AT) webinar discussed recent changes to AT processes and resources, how to prepare for an upcoming planning meeting where AT is needed, and how to escalate urgent AT issues with the NDIA.

The panel included NDIA staff and sector representatives with substantial experience with the NDIS.

If you missed the webinar a recording will be published on the webinar page.
