

NDIS providers are individuals or organisations that deliver a support or service to a participant of the NDIS.

Becoming an NDIS provider

Supports and services funded by the NDIA, eligibility and requirements, and how to register.

Working as a provider

Connecting with participants, getting paid, services and supports, market and myplace resources.

Pricing arrangements

Pricing arrangements, price limits, price reviews and pricing archives.

Housing and living supports and services

Housing and accommodation, living options, assisting technology and home modifications.

Disability-related health supports

Additional disability-related health supports available can be grouped into eight 'support type' categories.

Market monitoring and intervention

NDIS roles and responsibilities, market approach, monitoring and intervention projects

Provider compliance

Providers who deliver supports and services under the NDIS must operate and comply with relevant Australian laws, rules and regulations.
