

To join the NDIS you need to meet access requirements

This includes your age, your residency status and the nature of your disability.

[Am I eligible?](#)

If you think you are eligible for the NDIS

We've been working on how we can improve the way we deliver the NDIS. We've spent time talking to participants, our staff, NDIS partners, providers and the disability community to work out the ways we can improve the experience people have with the Scheme.

Learn more on the [new improvements website](#).

If you think you are eligible for the NDIS, you can:

- contact your local [NDIS Office](#) or local [NDIS partner](#) and ask them to support you to connect with local disability supports or apply to the NDIS if eligible.
- phone the NDIS on 1800 800 110 to be supported to apply to the NDIS.

In some areas, we don't have early childhood partners or local area coordination partners.

In non-partner areas we recommend you contact us on 1800 800 110 to be supported to apply to the NDIS.

Other ways we can help you to apply include:

- contact your local [NDIS Office](#) or local [NDIS partner](#) or call 1800 800 110 and ask for an [NDIS Access Request Form \(PDF 1MB\)](#) to be mailed or emailed to you.
- download and complete the [NDIS Access Request Form \(PDF 1MB\)](#) on your computer and email it to enquiries@ndis.gov.au with [supporting information](#).
- download the [NDIS Access Request Form \(PDF 1MB\)](#) on your computer, print it out, and mail it to PO Box 700, Canberra, ACT 2601 with [supporting information](#).
- find more resources about applying to the NDIS in accessible formats on the [booklets and factsheets page](#).

What best describes you?

I currently receive disability support from the government

I don't receive disability support from the government

I have a child under 9 years of age
