Transcript for 'Jonty is back living the dream on Norfolk Island'

17-year-old Jonty and his family are ‘back living the dream’ on Norfolk Island now that NDIS supports are available.

Choice of supports was very important for Jonty and his plan includes regular sessions with the local Therapy Assistant building his literacy and numeracy skills and key word signing.

A budding entrepreneur, Jonty’s also kicked off a business called Bow Wow Biscuits that’s honing his baking skills in the kitchen and getting him out and about making deliveries in the community. And now he’s signed an island-wide distribution agreement with a café, business is booming!
