Contact information and important links

Where can I find more information about the response to coronavirus (COVID-19)?

- [Department of Health website](#)
- Your national department of health website, for [state or territory specific information](#) .
- If you require translation or interpreting services, we recommend you use:

- National Relay Service on 1300 555 727 if you have speech or hearing impairment
- [Translating and Interpreting Services](#) for language services.
- The [National Quality and Safeguards Commission \(NQSC\)](#) is providing regular [Provider Newsletters and alerts](#) about coronavirus (COVID-19).
- NDIS Contact Centre 1800 800 110.

The NDIS Contact Centre is the best option for contacting us. Call the Contact Centre on 1800 800 110, Monday to Friday 8am to 8pm (local time). Select option 5 for plan enquiries related to COVID-19.

Disability Gateway

The Disability Gateway can assist people with disability, their families, carers and support workers to find trusted COVID-19 information, support and services.

You can contact the Disability Gateway for free COVID-19 information and support including:

- help with booking a vaccination appointment
- information and support on getting tested
- COVID-19 information in accessible formats such as Easy Read or Auslan

Call Disability Gateway on 1800 643 787, Monday to Friday, 8am to 8pm (AEST) or visit [the Disability Gateway website](#) .

If it is hard for you to hear or speak, you can call the National Relay Service on 133 677 and ask to be connected to the Disability Gateway.

For support in a language other than English, the Translating and Interpreting Service (TIS National) can help.

You can call:

- the Disability Gateway on 1800 643 787 and ask for an interpreter
- TIS National on 131 450 and ask them to connect you to the Disability Gateway.

Coronavirus (COVID-19) information in accessible formats

We have recently published Easy Read information in English and a selection of languages, and [frequently asked questions](#) with the latest information about our response to the coronavirus (COVID-19).
