Late in 2020, we shared information about the improvements we are making to the NDIS.

You can see the commitments we have made to improve the NDIS in our Service Charter and Participant Improvement Plan, and you can track our progress against them on Participant Service Improvement Plan page.

We want to make sure you get the most up to date information about the improvements as they happen. The best way to do this is by signing up to the NDIS eNewsletter, which comes out each fortnight.

The NDIS eNewsletter is full of the latest news, participant stories and I address some of the common questions and misconceptions I hear about with what is happening with the NDIS.

Sign up for the NDIS eNewsletter today.
