We invite NDIS participants and their nominees to complete a short online survey to help us better understand:

- What benefits of self-management are most important to NDIS participants?
- What are the main challenges for NDIS participants who self-manage?
- What are the barriers stopping participants from choosing to self-manage their plans?
- What supports and resources are most useful to build confidence to self-manage?
- What can we do better as an Agency to support self-managing participants?

All participant responses will be collected anonymously and have no impact on their NDIS funding.

The survey will close at 5pm AEDT on Monday 14 March 2022.

Find out more and complete the survey.
