We invite NDIS participants and their nominees to complete a short online survey to help us better understand:

- What benefits of self-management are most important to NDIS participants?
- What are the main challenges for NDIS participants who self-manage?
- What are the barriers stopping participants from choosing to self-manage their plans?
- What supports and resources are most useful to build confidence to self-manage?
- What can we do better as an Agency to support self-managing participants?

All participant responses will be collected anonymously and have no impact on their NDIS funding.

The survey will close at 5pm AEDT on Monday 14 March 2022.
