Existing downloadable and interactive data tools have been updated to be current as at 31 December 2021.

The updated data provides detailed information about many areas including:

- participant location, goals, outcomes and more
- providers
- budgets, plan management and plan utilisation
- payments
- support line items
- market concentration.

This data is useful to anyone seeking to understand the NDIS in more detail and can be searched by area of interest.

The NDIA regularly releases data about NDIS as part of our commitment in the Participant Service Charter to be transparent.
