

Celebrate International Day of People with Disability 2022

Carers Queensland's Be Your Own Boss (BYOB) – Microbusiness program empowers, educates and supports people with disability to start or grow their own microbusiness.

This year, our BYOB Gold Coast Marketplace provides the opportunity to showcase these microbusinesses and engage with the public.

Come and see all the amazing products and services on offer.

Who should attend?

- Community members interested in the products and services this year's program participants are offering for sale.
- People with disability, and their families/carers, who want to see what a microbusiness can look like, who may be interested in learning about the Be Your Own Boss program.
- People with disability who are interested in connecting with others.
- Anyone who wishes to speak with a Carers Queensland Local Area Coordinator about accessing supports for people with disability in their community.
