
The NDIA invites providers who support Tasmanian participants to an information session on PACE.

Sessions are delivered via videoconference using Microsoft Teams and are offered over multiple dates to allow flexibility for attendees.

Each session covers the same content, and attendees should only register for one session to give others the opportunity to attend.

Registration

Registrations close one business day prior to the session date or once tickets have sold out. We only accept individual registrations for events to ensure all attendees receive links to join.

Prior to the event, login details will be sent to the email address you provide at registration, so please ensure you enter your email address correctly when registering.

For all enquiries regarding this session, please contact events@ndis.gov.au and include the session name in the subject line.

Registration is through Eventbrite, please read our advice on using the Eventbrite platform located on the NDIS website: [Privacy | NDIS](#).

PACE Provider Information Sessions - All Providers

PACE will eventually replace the NDIA's current computer system. We want to make sure NDIS providers are ready to support participants when NDIS plans start to be created on the PACE system later this year.
