There are some important changes to our normal operating hours this festive season.

NDIS office hours

The NDIA will be reducing its activity from close of business on Friday 22 December 2023 to Monday 1 January 2024. Regular operations will resume on Tuesday 2 January 2024.

We are aware participants may have questions or need help during the festive season so the [National Contact Centre](#) will continue to operate to assist with urgent enquiries with the hours of 8am-8pm (local time) Monday to Friday, excluding national holidays.

If you have any questions or feel you may need support from your local office during the festive season, we encourage you to check in with your local Partner office in advance for further information.

If you call your local office, or the Agency during this time, the phone will either divert to the National Contact Centre - 1800 800 110 - or provide you with an alternative point of contact.

If you require urgent assistance outside of these times, please call Lifeline on 13 11 14 or Triple Zero (000).
