## [Improvements to Explore Data tool](#)

The National Disability Insurance Agency (NDIA) has improved the Explore Data tool with new features, making it easier for you to find the information you need to support NDIS participants, identify new opportunities and understand the NDIS marketplace. The Explore Data tool provides an easy to use, interactive experience where you can access, customise and view the data you need in the way you prefer. New features now allow you to sort NDIS data by: Participant type (e.g., SIL, Non-SIL) Location - including State/Territory, Local Government Area (LGA) and SA2 Reporting periods - financial quarters over 12-months NDIS budget support...
