

NDIA announce first nationally-consistent approach to early childhood early-intervention

For the first time, a nationally-consistent approach to supporting children with developmental delay or disability will exist with the release today of the National Disability Insurance Scheme's (NDIS) Early Childhood Early Intervention (ECEI) Approach.

Date

26 February 2016

Prices set for Queensland NDIS sites

The National Disability Insurance Agency (NDIA) has today announced service prices for Queensland.

Date

9 February 2016
