2023-24 Annual Pricing Review consultation papers released

Anyone with an interest in NDIS pricing arrangements and price limits is invited to make a submission to the Annual Pricing Review (APR) 2023-2024, which is currently underway. This year, we aim to enhance participant engagement through a participant-focused Consultation Paper. The participant Consultation Paper includes a plain English paper, an accessible easy-read paper, and an online survey submission. Submissions on the consultation paper can be made until 11.59 pm AEDT Sunday 3 March for providers and 11:59pm AEDT on Sunday 17 March 2024 for participants.

Assistive technology interventions to support children

The NDIA is committed to sharing the latest information to help participants, families and carers access supports that are right for them. We have released an evidence snapshot looking at effectiveness of assistive technology interventions to support children. This snapshot focuses on supporting children younger than 9 years old with assistive technology.
